

Mahatma Jyotiba Fule Mahavidyalaya, Amravati. Institution's  
Students Welfare Fund  
Report – 2022-23

Student Welfare Fund committee of Mahatma Jyotiba Fule Mahavidyalaya, Amravati was constituted for the general and specific well-being of students. The committee endeavors to help students educational process to advance their academic as well as personal abilities. For this the institution has developed a very systematic mechanism. All aided teaching staff contributes Rs. 300/- per month for this. The college has also created separate Bank Account for the same.

The institution has always helped needy and poor students for educational purpose. To receive this facility, the student has to apply in the name of principal, for this the college has prepared a format of application in which student must have to mention his or her problem or cause of assistance.

Some students are sincere, intellectual and are good in academics but due to some financial problems they cannot afford to buy cycles or any means of transportation. To solve this problem the college provides cycles to such needy students through this fund. And this practice is running under the title of "Sneh-Srujan". For this the college has constituted a committee. The committee looks into such matter and finds out poor and needy but sincere students.

Along with cycles college provides help in various ways to needy students. Like assistance for Admission fees, Participation in any competition, college uniform, books, sometime health problems etc.

The details of such Students benefitted are mentioned below.
