## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college follows transparent mechanism of internal assessment. Examination Department plans and conducts different exams of students quite systematically and without any confusion. Students are made aware of the process and its evaluation pattern well in advance. All details are given in college Prospectus and timely displayed on college notice board. The pattern is one Unit tests, One Open Book Test and one Common Test, PI, GD, Loud Reading, Practical and Assignment. Each unit test is conducted on different topics of the syllabus according to a fixed time schedule allotted in the prospectus. After each unit test and Common Test, teachers check the papers and distribute them to students in class, their doubts are clarified. Teachers after valuing the paper (set exactly in the university pattern) distribute it to students in the class, clarify their doubts, explain their difficulties and as to how marks are awarded to different questions, motivate and assist them to perform better in the university exam confidently. Complaints regarding marks awarded are explained and solved satisfactorily. After Internal Evaluation, student's performance is discussed with them and suggestions are given for better performance.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

All examination related works and grievances of the college are controlled and managed by the exam department. If there is any problem of very serious nature which is beyond them, will be reported to the principal but fortunately as the exam department of our college is very efficient and strict there is limited scope to go to the principal. After conducting each exam, be it Unit test or Common Test, each subject teacher distributes the valued answer sheets to the students. If there is any mistake from the teacher in allotting marks then itself it is corrected and proper marks are awarded. This full process is done in front of all students in the class and hence it is fully transparent and there is no scope for any doubt or misunderstanding. This

process increases the confidence level of students and encourages them to perform better in future exam. All the exams as mentioned in the academic calendar are conducted as per schedule and students are quite aware of it in advance.

Faculty who are lacking in their teaching and skills are guided by the principal and secretary and necessary tips are given to improve themselves. The Management and the Principal are quite strict about discipline and the quality of teaching of faculty members.
